Dear Mr. Griffith:

Subject: 2411 New Street & 2411 New Street Homeowners Association

I am in receipt of your letter dated January 13, 2016 addressed to Mayor Goldring with respect to 2411 New Street. Mayor Goldring has asked that I respond to your correspondence on his behalf.

You indicate that you were writing to the City on behalf of the "2411 New Street Homeowners Association", although it is unclear as to whom specifically you are authorized to represent. A corporate search revealed no legal entity registered to hold itself out in that name.

As you are aware, the City is currently engaged in litigation in respect of matters pertaining to the condominium located at 2411 New Street. The City is being represented in the litigation by external counsel appointed by its insurer, Mr. David Boghosian. Mr. Boghosian has made an inquiry of the solicitors representing the 26 unit owners having claims against the City of Burlington, and has been advised that they are not actively involved in any way with you, nor are they aware of whom you represent.

Given that the City is currently in active litigation with the Halton Condominium Corporation 324 and 27 of its unit owners, the City is not in a position to consider the offer contained in your correspondence.
